

#### SEVERE WEATHER SHELTER SCHEDULE

The overnight freezing temperatures are forecasted to end by Sunday. In the interim, we continue to provide 75 to 100+ beds on any given night through the collaborative work of the Severe Weather Shelter Network of providers. Thank you for caring and supporting this work! The current schedule is attached and available online at [www.co.washington.or.us/homeless](http://www.co.washington.or.us/homeless). As you meet with homeless in the community, please refer them to a winter shelter for immediate crisis intervention, as well to **Community Connect** by calling **503-640-3263**. Community Connect is the coordinated entry system providing housing and services to homeless individuals in Washington County.

#### HOLIDAY MEAL SITES

Can you imagine what it is like to be homeless during the holidays? While the holiday season is a time for sharing with family and friends, it is also a time of giving of our time and talents in service to others. The gift of giving in the form of a hot meal and friendly conversation is offered at several meal sites – see the attached flyer or visit online at [https://www.co.washington.or.us/Housing/EndHomelessness/upload/2018-Christmas-Meal\\_English-and-Spanish.pdf](https://www.co.washington.or.us/Housing/EndHomelessness/upload/2018-Christmas-Meal_English-and-Spanish.pdf). Please post and share this information with those who would benefit from this meal and some holiday cheer.

#### DONATIONS

If you wish to donate your time and/or resources, please contact the shelter, meal sites or nonprofits serving the homeless year-round. Thank you!
