

St. Vincent DePaul--Still helping those most in need.

We have all seen news articles lately discussing food shortages caused by processing plant COVID shut downs, supply chain problems and retailers limiting needed items. It is getting colder, home garden donations are about done, and many of our residents need winter items.

We need your help during this very difficult time. Your donations of canned vegetables, canned fruit, high protein items such as peanut butter, tuna, chili, stew and hearty soups are always needed. Rice and dried beans--pinto, kidney or navy--are always welcome. Hygiene items are appreciated by our families and homeless folks--we have found the Dollar Store sizes are the best value. Diapers, particularly the larger sizes are always in demand.

Our homeless people need warm blankets, sleeping bags, socks, gloves--winter is a very grim time to be without shelter and heat.

CASH is always needed and put to good use!

We are here to accept your donations Monday through Friday from 9:00 - 11:30. If these times don't work for you, or you need more information, please call Pat Feetham at 503-628-1134 or you can call the Center at 503-693-7528.

God bless our parishioners and volunteers for all you do for St. Vincent DePaul and our community.

"Together in Christ' Love, we serve those in need"
