

Volunteer Help Wanted

The St. Matthew Conference of the Society of St. Vincent de Paul will be starting a new furniture crew to supplement the efforts of our current crew. The Furniture Program of SVdP started in 1968 and is currently the only such program in the Portland area. We serve the areas around Hillsboro, North Plains and Cornelius by picking up donations, storing them in “The Barn” and then delivering them to the homes of those in need. Would you be interested in helping out?

We’re looking for individuals who are able to meet on Fridays or Saturdays from about 8:00 AM to about 11:30 AM. Working as a member of our team, you should be 18 years old or over, be able to lift about 50 pounds and be in reasonably good shape. Desirable, but not necessary traits include:

- Have a valid Driver’s License
- Ability to drive our 16-foot diesel box truck.
- Ability to speak Spanish

Interested? Please contact Greg Clemmons by October 27, 2023 at ghclemmons@gmail.com or text or call at 971-506-1571.

Thank you!
